

Fire and Public Safety Training Center

From When Things Go Bad Series: *Unconventional Ground Ladders*

This class will incorporate classroom presentation and practical applications to cover ladder facts, safety ratings, when a ladder should be taken out of service, etc. Outside training will focus on conventional and unconventional ground ladder skills in its entirety starting with multiple ladder raises and include marquee & shoot raise, ally raise, upside down balcony raise, rope butt, chicken wing, ground ladder victim removals, hoisting, gin poles, A-frames, climbing techniques, alternative leg & arm locks, and more. There will also be various micro-scenarios to allow the student the ability to apply learned material in realistic time sensitive situations. Instructors are subject matter experts from [When Things Go Bad, Inc.](#)

- \$140 per person
Deadline for cancellation with refund Oct 7
- 8 CEU's available for Instructor I, II, III
